

PRESIDENT

LUXURY KNIT FABRICS

Our DualTouch™ Fabric takes luxury to the next level, expertly woven to elevate both texture and tone. Crafted for beauty and responsiveness, it offers a tactile experience that blends softness with adaptive support, enhancing the way your mattress looks, feels, and performs.

SNOWDROP™

Snow Drop's advanced ceramic-infused gel-memory foam enhances thermal conductivity, efficiently dissipating heat for a cooler, more comfortable sleep. Unlike traditional foam, it delivers premium comfort every night, seamlessly supporting our mission to help you live well.

OPTIMAL FLEX

Crafted for subtle contouring and even pressure distribution, this resilient foam adapts gently to your body for lasting support and day-to-night ease.

FIRM FLEX CORE

Unparalleled support. Enduring strength. Our ultra-dense foam is meticulously crafted to anchor your rest with steadfast, long-lasting stability.

ROTATING MATTRESS

Rotating technology enhances longevity of your mattress, providing superior comfort layers to both sides of the mattress. Help to maintain a fresh sleeping surface and extend the life expectancy of your mattress.
