

## Solenco Life Precision Wine Cooler with Decanter

The Solenco Life Wine Cooler with Decanter combines precision cooling with sophisticated design to create the ultimate wine experience. Designed for wine enthusiasts who appreciate consistency, this cooler maintains your wine at its ideal serving temperature once it has been pre-chilled. Say goodbye to the guesswork of ice buckets—enjoy perfectly preserved wine at every pour.

The integrated borosilicate glass decanter not only enhances your wine’s aroma and taste but also adds a touch of elegance to any occasion. Its advanced thermoelectric technology ensures efficient and precise cooling, while its compact and stylish design fits seamlessly into any space, from home kitchens to outdoor entertaining areas.

Simply pre-chill your wine to the desired temperature, set the cooler, and let it maintain the perfect environment. The intuitive touch interface and ambient lighting make operation effortless, while the eco-friendly 60W power consumption ensures peace of mind.

Redefine your wine experience with the Solenco Life Wine Cooler with Decanter—the perfect companion for those who demand excellence in every sip.

- **Precision Temperature:** Maintenance Keeps your wine at the exact serving temperature once pre-chilled, ensuring consistent enjoyment throughout.
- **Integrated Decanter:** Aerates your wine for enhanced aroma and flavour, bringing out the best in every bottle.
- **Elegant and Compact:** Design Perfectly blends into any setting, from dinner tables to outdoor gatherings, with a modern, sleek aesthetic.
- **Energy-Efficient Cooling:** Operates at just 60W with advanced thermoelectric technology for eco-friendly and reliable performance.
- **Easy-to-Use Interface:** Features intuitive digital controls and ambient lighting for a seamless user experience.

### Specifications:
