Key benefits

- 400mm diameter
 - wide fan blade for even airflow
- 50 cu.m/min
 - strong cooling airflow
- Oscillation function
 - gives intermittent cooling
- 3 fan speeds
- 3 operating modes - normal, breeze and sleep
- Timer up to 9 hours
- Remote control - convenient setting of speed, timer and oscillation
- Adjustable height for breeze control
- Adjustable fan angle for breeze direction
- Wide diameter base for stable operation
